GOVERNOR'S MESSAGE

Change has come to the National office in Richmond, Virginia. Shortly before our Spring meeting in 2012, the Executive Director resigned. Many plans for that meeting had already been made and we are thankful for that. With the exception of not having the Jamestowne Society Shoppe at the meeting, all went well with the help of many volunteers. All who attended were well served and we hope you enjoyed your trip to Williamsburg, Virginia.

Bonnie Hofmeyer of nearby Charles City County, agreed to serve as our interim Office Manager. Again, with the help of volunteers, the office remained open and operating. A major clean-up was accomplished including filing many important papers.

Because of many pressing issues, a meeting of the Executive Committee was called for June 29, 2012. Among the many issues addressed, two require a change of our by-laws. The first is the deletion of the position of Executive Director from the list of our elected officers. It is believed that all elected officers should be members of the Jamestowne Society. In the place of the Executive Director, the committee established the position of Office Manager. In later action by the Committee, Bonnie Hofmeyer was selected to fill that position.

The second amendment concerns the Registrar/Genealogist position. It is felt that these should be two positions, thus having more than one person knowledgeable and available concerning matters of our members and especially of applicants for membership. Again, it is felt that the Registrar should be a member whereas the Genealogist does not have to be. These two amendments will be presented to Council for its endorsement and then to the membership.

The announcement of the Fall Meeting is in this newsletter. We hope that many of you will plan to attend and enjoy the sites in Richmond and our being together.

COMPANIES

The 2012 Governors Roundtable convened on Friday, May 11, 2012 at the Williamsburg Lodge with a luncheon at noon. Twenty-one Companies were represented. Ms. Anne Stokes Moore, Past Governor of the Kentucky Company, served as Vice Chair for the Governor’s Session of the Roundtable. Mrs. Virginia Moorman Gottlieb, Governor of the First California Company, served as Secretary/Treasurer. This Chair thanks these very capable ladies for the tremendous work performed at the Roundtable.

The Jamestowne Society now has 39 active Companies with the Shenandoah Valley Company in reorganization. The Central Missouri Company, Columbia, MO, Mrs. Jane Smith, Governor; First Indiana Company, Indianapolis, IN, Rick Gann, Governor; and Golden State Company, Burbank, CA, Mrs. Cathy Matranga were presented Company Charters during the May Members Meeting. The Northern California Company, San Jose, CA, Mr. J. Michael Phelps, has been organized with 27 members and will close the charter membership October 15th at the November 3rd Members Meeting. In addition, two Companies in the State of Illinois will be organized in January 2013, to be chartered in May. One is located in Central Illinois, the second outside the Chicago area.

Great News: A major decision was approved by Council that all Companies will be placed under the Society 501(c)(3) umbrella by Council meeting in November. Information and instructions will be forthcoming.

Governors and Officers of Companies should be up-to-date on Society news at all times. The Society Web site is updated often, especially “What’s New.” Please check this section frequently; otherwise, you may miss important information between Newsletters. The Society approved a new project, the only 17th century standing above-ground icon in Virginia - the Jamestowne Church Bell Tower on the Island. Your contributions to this most important project are crucial. Preservation of the Albemarle County Marriage Records continues for the years of 1832-1843.

Kentucky Trace Company • Hopkinsville, KY

The July meeting was held on July 22, 2012. The newest member of the Company is nine-year-old Sofia Sergeant.

The Company plans to host, with the Colonel John Green Chapter NSDAR and the Daughters of the American Colonists, another patriotic program at a local elementary school during Constitution Week. A state senator and state representative will speak to the children on citizenship, the constitution and respect for the American flag. We will present each student with a flag, a pencil and a booklet on the Constitution at the conclusion of the program. The school will be presented with a flag that flew over our Nation’s Capital.

Toni Curtis reported on the May Governors Roundtable. The Company voted to send a $200 donation for the restoration of the Jamestowne 17th century church tower.

Lynn Shepherd presented the program, Jamestowne Update, about the history of Jamestowne, its settlers and recent discoveries. The next meeting will be December 27, 2012 at 2:00 p.m. The program will be “Genealogy.”

Help!

326 Year Old Jamestown Church Tower is Falling

The brick bell tower marks the location where our early ancestors were baptized, married, and buried. It is suddenly falling to the ground. $150,000 is needed for preservation and restoration. Ancient Jamestown Church and Tower may close within months without your help.

The original church at Jamestown, built inside the fort, burned in January 1608. There have been several replacement churches over the 400+ years. Pocahontas and John Rolfe were married in the second church. The First Assembly was held in the third church. The Church Tower was added circa 1647, making it the only seventeenth-century building still standing at Jamestown.

The 336+ year old Tower has remained a silent symbol to Americans and Jamestowne descendants of our early heritage. The tower was strengthened and preserved beginning in the 1890s, but after the 2011 earthquake and a hurricane in the region, bricks began falling off the Tower. These incidents emphasize the urgency of supporting the Church Tower Project.

The Tower needs Company and Member donations, quickly. Gifts of $100 or more will be recorded and preserved in the Jamestown Church Tower Benefactor Book and shared at our bi-annual Membership Meetings.

Your gift of any amount will help during this crisis!
