GOVERNOR’S MESSAGE

Serving as Governor for the last year and a half has increased
my appreciation for the work done by our Jamestowne Society
companies. We now have 37 companies, having added the
Wilderness Road Company at our May meeting in Williamsburg.
At the same time the Jacksonville Company was reorganized as
the North Florida Company, reflecting its wider geographic range.
While the Society’s May and November membership meetings
average between 200 and 250 attendees, a far larger number of
members attend their local company’s meetings, primarily
because distance factors make it much easier to attend a nearby
company meeting. Thus most of our members’ interactions with
the Jamestowne Society are through the local companies.

I have gotten to know many company governors, most of
whom attend the May Company Governors’ Roundtable (either
in person or through a representative). Also I have had the
pleasure of attending several meetings of our companies, the most
recent being that of the Alabama Company last May. I also plan
to attend the Kentucky Company’s 30th anniversary meeting in
November. The companies let the Jamestowne Society know the
desires and wishes of our members. For example the Roundtable
recommended to the Jamestowne Society Council that Society
flags be given to each company. This was approved by the council
in May. Each company will be able to request either a smaller flag
to be displayed on the table or a 3 foot by 5 foot larger flag. The
companies will be notified as soon as the flags are available. While
we hope all members will be able to attend the November or May
meetings of the Society, if you can’t, please join and attend your
nearby Jamestowne Society company.

GOVERNOR’S MESSAGE, continued from page 1

Recent Events

See our webpage [www.jamestowne.org] giving details and pictures of the Williamsburg meetings last May of the Roundtable, the Council and the membership luncheon. Archeologist Alain Outlaw gave a very interesting PowerPoint presentation showing his discoveries of Argall Town, said to be the first suburb of Jamestown. Also at the luncheon the Washington and Northern Virginia Company presented a framed illustrated Chesapeake Bay map as a gift in memory of Past Governor Henry Mackall. This is now displayed at the Richmond office.

Other recent events include appearances on behalf of the Society at wreath-laying ceremonies at the Jefferson Memorial (by Past Governor Danny McGuire) in April; at opening night ceremonies in Washington of the National Society of Colonial Dames XVII Century, also in April; at Jamestown Island ceremonies on Landing Day, on May 15th; at the Alabama Company’s annual meeting in Birmingham on May 29th; and at the opening night ceremonies of the 119th Continental Congress of the National Society of the Daughters of the American Revolution in Washington on July 7th (the last four attended by your governor).

Future Events

All members are invited to attend the next membership meeting at the Commonwealth Club in Richmond on November 6, 2010. See details and the reservation form in this newsletter. For a change from academic speakers at the luncheon, we shall have the pleasure of being entertained by Captain Gabriel Archer, an original Jamestown settler, who will give us a spellbinding historical portrayal of the early years. This will be the work of well known historical performer Bill Young of Talks & Totems, Inc.

Lastly, do not forget a gift to the Mortgage Reduction Fund (mortgage on our office building) which will be matched dollar for dollar (up to a total of $30,000) by the generous offer of Secretary of State Dr. Michael Frost. The deadline for a matched gift is December 31, 2010.

Carter Branham Snow Furr

The membership will be asked to vote on the amendments to the By Laws of the Jamestowne Society listed in paragraphs 1. and 2. below, at the meeting to be held on November 6, 2010:

At the August 7, 2010, meeting of the Jamestowne Society Executive Committee, a motion was made by Susan Godman Rager, Attorney General, to amend the By Laws of the Society in the following two ways:

1. That, in Section IV, Membership Committee, the last sentence “The Membership Committee shall consider applications for membership, and shall approve for membership such applicants as they deem to be entitled and worthy,” be deleted.

2. That, in Section XI, Members - Procedure for Membership, that the last part of the first sentence, “and approved by the Membership Committee,” be deleted.

The proposed changes reflect the current process for membership applications. Currently, members of the Jamestowne Society may sponsor new members. Their sponsorship of the potential new member indicates that they have deemed the applicant to be entitled and worthy of membership. The completed application, including the signature of the sponsoring member, is forwarded for further action to the Executive Director, Faye Weems, at Society headquarters. Upon receipt of the application, and upon its being checked for completion, it is then forwarded to the Society Genealogist, Lyndon H. Hart, III, who verifies the genealogical information submitted in the application. Upon verification that the new applicant is indeed a descendant of a recognized Jamestowne ancestor, the applicant is notified from the Executive Office that the membership has been approved.

While The Membership Committee serves a vital function to stimulate interest in membership and the furtherance of that goal, the actual work of the Committee is not to approve individual applications as they are submitted. The purpose of the proposed amendment is to conform the By Laws to the actual practice of the Society, which is outlined in the description in the foregoing paragraph.

MEMBERS AND COMPANIES RESPOND TO MATCHING FUND CHALLENGE!
Mortgage greatly reduced!
The Jamestowne Society membership has responded with enthusiasm and generosity to the $30,000 matching fund challenge presented by Secretary of State Dr. Michael David Frost. From January 1 through July 1, we received donations from individual Society members and companies totalling $8,655.43 toward the paydown of the mortgage on the headquarters building in Richmond.

Dr. Frost matches the donations on a quarterly basis and has contributed an additional $6,625 as of June 15, bringing the total contributions to the Mortgage Reduction Fund this year to $15,280.43. As of the last disbursement to the mortgagee, we have paid $15,423.87 in additional principal from the fund, saving $9,068.03 of interest in the process. We now have less than $46,000 of principal remaining on the mortgage.

We need another $21,345 in contributions from members and companies to realize the full dollar-for-dollar benefit of the mortgage reduction challenge. Please make the elimination of the loan on the building a priority when deciding where you want your contributions to the Jamestowne Society to be applied. Retiring the mortgage will free over $9,000 annually for other fixed operating expenses and worthwhile special projects.

The Society thanks its members, companies and Dr. Frost for their generous participation!
Make checks payable to Jamestowne Society.
Write “Mortgage Reduction Fund” in the memo line of the check.
Contributions must be received by December 31, 2010.
In order to qualify for the matching fund.
If we receive more than is needed to retire the mortgage, the excess in contributions will be posted to the Building Fund for building improvements.

Generous Bequest
Jamestowne Society received a generous $5,000 bequest from the Estate of Alberta M. Dennstedt. Such generous gifts guarantee the fulfillment of the Society’s Patriotic Mission. She is remembered by her many friends in the Society.

Dr. Frost

Jamestowne Society Roll of Honor
At its May 2010 meeting, Council voted to establish a Roll of Honor to give special recognition to those current Jamestowne Society members and companies that have reached certain levels of giving to the Society. Donors who have given an aggregate of $250 or more are listed on the roll at the Colonist level. The highest level is that of House of Burgesses and includes the names of those who have given a total of $25,000 or more.

Contributions are cumulative and include deposits recorded in our current accounting system from January 1, 1998 through June 7, 2010. If you have made a recent contribution that would cause your name to be added to the list or your level of giving revised upward, the change will be reflected in future revisions to the Roll of Honor. The current Roll of Honor is on page 5.

THE FATE OF THE ISLAND

Significant change may take place at Jamestown Island and Historic Jamestowne. Has it only been three years since the commemoration? The first glimmer of what might happen appeared in the April 24 article in the Virginia Gazette titled “Historians connect the dots to trace the links between Williamsburg and Jamestown.” It stated that Preservation Virginia, formally known as the APVA, might be joining forces with the Colonial Williamsburg Foundation in an effort to connect the story of 1607 with the 1770s. Jim Horn, our 2007 speaker and Vice President of Research for Colonial Williamsburg, now serves on Preservation Virginia’s Board. He believes the partnership will combine the expertise of both. Dr. William Kelso views the agreement between the two as a way to expand the story and show how the two are connected. This does not mean that Colonial Williamsburg will be taking over Historic Jamestowne. Horn says they already have a good working relationship. “The crux of the new partnership is tourism or improving public awareness of America’s social and cultural origins,” said a Colonial Williamsburg spokesman. The time frame mentioned is a five-year agreement or lease.

In the summer publication from Preservation Virginia, President John Guy quotes the strategic plan: “Preserve historic places in perpetuity in partnership with individuals, organizations, community leaders, and decision-makers and through new models enhancing the economic development and improving the quality of life in communities across Virginia.” He emphasizes the word “partnerships,” adding that they help combine the strengths and talents of both organizations.

On June 12, Colonial Williamsburg and Preservation Virginia worked together on a program commemorating the 400th anniversary of Lord De la Warr’s arrival at the “Starving Time” to save Jamestown. This proved to be a successful endeavor.

Elizabeth Kostelný, Executive Director of Preservation Virginia, believes the partnership will give them more marketing leverage, and the two organizations can coordinate special events and tours. It will give both international visibility and could be a world heritage destination. “It is a place where history was changed forever.” The agreement was expected to be finalized by the end of July and could be in place by the time this newsletter is published.

Reverse side of large Jamestowne Society flag

Alain C. Outlaw, May 2010 speaker

COMPANIES TO GET SOCIETY FLAGS

The Jamestowne Society flags for the companies are currently in production. Company governors will be notified as soon as they are available.

There is a small 12” x 18” version, suitable for standing on a desk or table. It will have the Society emblem bearing the image of King James and our motto on both sides.

The larger flag, 3’ x 5’ in size, will be suitable for displaying on a flag pole, hanging unfurled behind a podium, or carried proudly in a parade. It will have the Society emblem on one side in a field of white. The reverse side will have a burgundy background. It will bear the same graphic that appears on the large Society flag housed at headquarters and displayed at our semiannual meetings in Williamsburg and Richmond.

The motto “En Dat Virginia Quintam” appeared on the seal of Virginia in 1663. It can be translated “Behold, Virginia bestows the fifth,” referring to the fact that the realm of the British monarch had been expanded to include a fifth dominion—Virginia—in addition to the domains of England, Scotland, Ireland, and France.
JAMESTOWNE SOCIETY COMPANIES

Friday Evening Buffet at the Lodge, with 47 members and guests; it was the perfect conclusion to a wonderful May day.

This Chair wishes to convey thanks to Mrs. Anne Stokes Moore, Immediate Past Governor of the Kentucky Company, who served as Vice Chair, and also presented the Roundtable participants, a booklet, “Resources for Early Virginia Genealogy”. A thank you to Mrs. Brantley C. Bull, Governor of the First South Carolina Company, who graciously served as the Secretary/Treasurer. The Society representatives were Governor, Carter B. S. Furr; Lt. Governor, Joseph H. Barlow; Secretary of State, Michael D. Frost; Attorney General, Mrs. Susan G. Rager; Past Governor, Mr. C. Danny McGuire; Information Technology Specialist, Mr. Walter Beam, and Councilor, Dr. John Shelton. Governor Furr introduced the Society officers present and asked for their comments.

The Theme of the Governors Roundtable continues “The next 50 Years - Moving Forward” through “Visibility, Knowledge, Growth and Quality.” The topics discussed during the Roundtable session were the Public Awareness of the first Colony - Jamestown; Membership Pride, Communications and Future Goals. Ideas concerning Society Visibility were getting involved at libraries, teaching classes on family genealogy; teaching children the history of Jamestown along with the Mayflower in schools and libraries and displaying brochures at genealogical meetings. Many topics concerning Company issues were discussed. The use of “Networking” with other 17th and 18th century hereditary societies is a logical solution to locating new members.

The best news of all is Companies will now have a Company Flag to display. This Chair thanks D. Michael Frost for all his assistance to bring this project to fruition. The 2010 Governors' Roundtable was a very interesting and productive Meeting.

The Jacksonville Company, originally chartered in 1983, was re-chartered as the North Florida Company, Gainesville, Florida, with Mrs. Monica Douglas as Organizing/Chartering Governor. Mr. Vann Rhodes, the Chartering Company Secretary, proudly received the new Charter for 29 members during the Members Meeting. The Wilderness Road Company, Hazard, Kentucky, Mrs. Jane Marable Bowen, Organizing/Chartering Governor, also received their Charter with 21 members. The State of Kentucky now has 3 promising Companies.

Several interested Society members have inquired about a company in the Fort Lauderdale Florida area which would cover the entire Florida Everglade area. If you are interested in organizing a Society Company in this area, please contact me at the email address below.

As of August 2009, 33 Company Governor and 75 Past Company Governor insignias have been purchased. Email the address below with your request, and the Insignia Order Form and instructions will be emailed quickly.

The program, “Jamestowne and Bermuda”, was presented by member Mr. Ed Conley, Jr. and guest, Mrs. Vallie Orr. Mr. Conley spoke about the sailing and shipwreck of the Sea Venture as experienced by his ancestor, Stephen Hopkins. Mrs. Orr, a Bermuda descendant, spoke on the influence of the Sea Venture passengers and the shipwreck on Bermuda history. Mrs. Ann Scott Williams was welcomed as the newest member. The Company will meet again on November 20, 2010 at the Ansley Golf Club.

WEST TEXAS COMPANY CELEBRATES 25TH ANNIVERSARY

The West Texas Company met on June 5, 2010, at the Racquet Club in Midland to celebrate the 25th Anniversary of its formation. Governor Leaf Faller opened the meeting and read the list of Charter officers and members, and lead a discussion about the founding of the Company. It was chartered in 1985 by a group of Jamestowne members from West Texas, including Marguerite Crain, Elizabeth and Leaf Faller, and Anne Hyde, who attended the Anniversary meeting.

After a lovely lunch, Wynelle Wagon presented the program, a continuation of last year's program, written by her granddaughter, Kay Holder, titled, “The Silent Voices of Jamestowne.” The report was based on an Anne Orthwood book about the women of Jamestowne. There were no women in the first voyage to establish Jamestowne in 1607, but the Virginia Company later accepted letters of recommendation from women who hoped for a better life in America. The women faced many hardships including Native American attacks, diseases associated with the swamp lands, and much hard work. Their contracts provided them with better rights to inherit property than they held in the Old World.

The meeting was concluded with Judith Davenport presenting the centerpiece floral arrangement to the founding Charter Governor of the West Texas Company, Elizabeth Faller.
The Company held its annual meeting on May 28, 2010 at the Birmingham Country Club. The honored guests were Jamestowne Society Governor Carter Furr and his wife, Caroline. There were 70 members and guests present. The Alabama Company has a total membership of 136 with 16 new members this year. A reception allowed members and guests to meet, greet and renew friendships as well as discuss common lineages.

The Company Governor, Robert Cheney, presided at the meeting. An invocation was given by Colonel Kenneth Hayes. After the Pledge of Allegiance to the Flag of the United States of America and singing “God Bless America,” past Company presidents, John “Buck” Newman and Carolyn Drennen were introduced. The Organizing Governor, Mrs. Mary Ross, was unable to attend because of her mother’s serious illness.

Outgoing officers were recognized and thanked for outstanding work. Treasurer, Constance Grund, announced that the Company had made donations of $1000 to the Society for the Restoration of Records Fund and $500 for the Mortgage Reduction Fund.

New Officers for 2010-2012 were elected:
- President, Robert Martin Cheney; Vice President, Jeffery Allen Engler; Recording Secretary, Mrs. Robert B. Wise; Corresponding Secretary, Mrs. Tillman Williams Pugh; Treasurer, Mrs. Philip Frederick Hahn; and Historian, Mrs. James Streeter Wiatt, Jr. The New Officers were installed by Governor Furr.

Governor Carter Furr brought greetings and gave a brief report on happenings at Jamestowne.

Following a buffet Luncheon, a beautiful slide presentation was given by Mrs. June Mays on “Plants Found by Jamestowne Settlers.” She listed, discussed and illustrated five categories of plants found at Jamestowne: the cash crop, trees, medicinals edibles, and ornamental plants. Some of these plants would have been found in the triangular shaped Jamestowne Fort. She encouraged members to plant a triangular garden in honor of Jamestowne, using plants such as Aster, Butterfly Weed, Coreopsis, Phlox, Black-Eyed Susan and others listed on the printout, which was distributed.

THE LONE STAR COMPANY

The Fall meeting took place Nov. 17, 2009, at the Park City Club in Dallas. Members and guests enjoyed the traditional Thanksgiving feast. Company Chaplain Lloyd DeWitt Bockstruck, a nationally recognized genealogist, was the speaker. The Company is pleased to report that it added seven new members in 2009.

The Lone Star Company continues to grow in membership, due in large part to the vitality of membership and their interest in spreading the goals of The Jamestowne Society.

KANSAS-MISSOURI COMPANY

The Kansas-Missouri Company was invited to hold its spring meeting at the lovely home of Dr. Michael and Mrs. Ginger Frost in Mission Hills.

Members, guests and prospective members were treated to a delicious buffet luncheon. Following lunch, the program titled “A Colonial Menu” was presented by Mrs. Barbara Fristoe, who came dressed as an early colonial woman. She began her report by saying the Virginia Company’s sole interest in exploration was for profits from the search of gold, silver and precious metals. However, the young noble adventurers who arrived were ill-prepared as to how to feed themselves—a damning indictment of incompetence in the watchful eyes of the Natives, known as “the starving time.”

Half of the Indian’s diet was obtained from farming, so the settlers were taught how to plant, prepare and preserve their foods. As more settlers arrived, including farmers, the Englishmen’s diet became mixed with those arriving from France and Holland. Mrs. Fristoe made note that the early settlers’ daily breakfasts and dinners were in sharp contrast to the meals of today. Hand-outs of recipes for Johnny Cakes and Onion Pie, two favorites of the colonists, were distributed. More of Mrs. Fristoe’s report will be published in the fall Kansas-Missouri newsletter and on the website: www.jamestowne-ksmo.org.

After the program, each of the officers gave their report. Guests and prospective members were introduced. Mr. Romie Carr and Mr. William Carr, brothers, were welcomed as new members to the Kansas-Missouri Company. Each had researched a different Jamestowne ancestor. Mrs. Frances Bade, Membership Chair, presented a Jamestowne Rosette Lapel Pin to each of them for their outstanding research dating back 400 years.
NORTH FLORIDA COMPANY

At the Spring meeting in Williamsburg on May 15, 2010, Governor Carter B.S. Furr presented the Charter of the new North Florida Company to H. Vann Rhodes, one of the organizing officers representing 29 charter members. With the help of Ruth K. Hemmingsway, Governor of the Florida Gulf Coast Company, the North Florida Company was organized by Monica D. Douglas, Governor, Rev. Roy Martin, Jr., Lt. Governor; and H. Vann Rhodes, Secretary.

The first meeting for the new Company will be held Oct. 30, 2010, at the Gainesville Country Club in Gainesville, Florida. The program speaker will be Dr. Jon Sensbach, Professor of History at the University of Florida, whose topic will discuss the life of the indentured servant, both black and white, in the Virginia Colony. The election of officers will be held and a membership roster will be distributed.

KENTUCKY TRACE COMPANY

The Company held its summer meeting at the 1850's home of LaVena and William Turner in July 2010. Lynn Shepherd and Sterling Crawford, two new members were present, along with two guests, David Smith and William Turner.

A report on the May meeting of the Jamestowne Society Governor's Roundtable was given. Ms. Toni Curtis represented the Company with a report.

The web pages, now on the Society site, were discussed. There has already been one inquiry to the Genealogist, Rob Crawford, the Historian, Jonathan Shepherd, displayed the newly acquired red leather scrapbook imprinted with Kentucky Trace on the cover. The Company is in the process of preparing the application for 501c3 status.

Mack Gibson presented a very interesting and enjoyable program on "Dr. John Woodson of Flowerdew Plantation, Virginia."

The next meeting will be held December 28, 2010 at the Charles Garnett's family home (the original house built in 1853 and was rebuilt in 1905) in Hopkinsville. Beverly Garnett Riner will present a program on "Abraham Peirsey of Flowerdew Hundred, Virginia."
WASHINGTON-NORTHERN VIRGINIA COMPANY

Under the guidance of Henry C. Mackall, past Governor of the Jamestowne Society and past Governor of the Washington & Northern Virginia Company, a publication project was undertaken. The result, *The Jamestowne Century: A Collection of Essays* that touch nearly all facets of the Jamestown century, 1607-1699.

St. Julian Ravenel Marshall, Jr. wrote the individual essays during his nearly two decades as Company Governor and these were avidly appreciated by Company members when read at meetings and in the Company newsletter. For this publication project, he authored additional essays and made substantial editorial revisions and expansions. The result is an indexed resource with numerous bibliographic notes that lead one to additional information on a topic or point of information, comprised in 221 pages. The Washington and Northern Virginia Company has copies of the essay collection for sale.

The Cost per copy is $21.00 plus $3.00 postage.

Checks paid to Washington and Northern Virginia Company - send to: Jacque-Lynne Schulman, 6649 McLean Drive, McLean, VA 22101-4002.

### MEMBERSHIP FEES AND APPLICATION PROCESS

The lifetime membership fee for a new member is currently $400. Members who have more than one qualifying ancestor may submit supplemental applications. Supplementationals are $125 for each ancestor line submitted.

All membership applications and supplements must now be prepared using the Society’s current application, which is an easy-to-use PDF form completed on a computer. All prospective new members must be invited to apply for membership in the Society. Members should send letters of recommendation to the Richmond, Virginia office by mail or by e-mail. Be sure to include your full name and mailing address of the person you wish to sponsor, with a few lines about the candidate. The Membership Committee can then send an invitation to apply and a form which the applicant can use to order the software. To ensure that only the most recent version is utilized, each prospective member must order his or her own application software. Old versions of the software in the possession of current members may not be used. To do so will delay the application process.

These procedures are necessary in order for the Society to effectively and efficiently archive member lineages, thereby enhancing the benefit of this information to new applicants and members wishing to submit supplemental lines.

New members are immediately entitled to recommend family, friends or acquaintances for membership in the Jamestowne Society. There is no waiting period, and there is no annual limit on the number of people a member may sponsor who are direct descendants of a qualifying ancestor.
